

BULLETIN OF THE CENTRAL LEATHER RESEARCH INSTITUTE (1954-1962)

BIBLIOGRAPHY: TABLE OF CONTENTS

Sl. No.	Title	Authors	Volume	Issue	Page	Month	Year
1	Some aspects leather manufacture	B. M. Das	1	1	1	August	1954
2	Acid salt ratio of Indian Tanstuffs	J. C. Sen	1	1	12	August	1954
3	Tanning characteristics of Karada Bark	T. J. Devassy; S. K. Barat; B. M. Das	1	2	5	September	1954
4	Proposed microscopical specifications for Indian sole leather	S. K. Mitra; B. M. Das	1	2	9	September	1954
5	Survey of the indigenous tanning materials of the Madras State part II	J. B. Rao; Y. Nayudamma; B. M. Das	1	3	5	October	1954
6	The use of lead-dioxide for determination of chromium in liquors and leather	P. S. Venkatachalam	1	3	13	October	1954
7	Some servations on the Biology of hide Beetles dermestes vulpinus	S. N. Sen	1	4	5	November	1954
8	Synthetic leather oils	D. Ramaswamy	1	4	10	November	1954
9	Study of Hopea and Wattle tannages	E. C. Mathew; B. M. Das	1	5	6	December	1954
10	Recovery of chrome from waste chrome liquors	B. M. Das; J. K. De; S. N. Bose	1	5	14	December	1954
11	Chemicals in modern leather manufacture	B. M. Das	1	6	6	January	1955
12	A note on the non-aqueous Titration technique as an analytical tool in leather research	Y. Nayudamma	1	6	17	January	1955
13	General method of manufacturing east India Tanned kips	Rajabather Mudaliar	1	6	20	January	1955
14	Vacuum metallizing in leather finishing	A. Ganesan	1	7	8	February	1955
15	Electrochemical preparation of aluminium hydroxychlorides for use in leather industry	A. Joga Rao; B. A. Shenoi	1	7	17	February	1955
16	Weight giving property of some vegetable tannins	D. Ghosh; S. K. Barat; B. M. Das	1	8	6	March	1955
17	A stringency of vegetable tan liquors	S. K. Barat	1	8	11	March	1955

18	Moulds on finished leather	V. S. Krishnamurthy; S. N. Sen; B. M. Das	1	9	5	April	1955
19	Decoration of leather	A. Ganesan	1	9	13	April	1955
20	Enzymic unhairing	S. M. Bose	1	9	24	April	1955
21	Areca nut as a tanning material	R. Selvarangan	1	10	4	May	1955
22	Studies on the bacterial flora of raw hides and skins that cause hair slip	E.C. George; S. N. Sen; B. M. Das	1	10	8	May	1955
23	Molecular weight and bound water of some Indian vegetable tan materials (Part I)	K. J. Scaria; B. M. Das; S. K. Barat	1	11	5	June	1955
24	Application of Nomography to leather industry-I	K. Seshaganapati Rao	1	11	11	June	1955
25	Microscopic study on the influence of sodium sulphide in liming buffalo hides in the manufacture of sole leather	S. K. Mitra; B. M. Das	1	12	5	July	1955
26	A new method for the demonstration of reticulin	S. K. Mitra; S. K. Sarkar; B. M. Das	1	12	13	July	1955
27	Chemical Engineering principles of hot air stuffing drum	A. Ganesan	1	12	16	July	1955
28	Fat liquors - Part I	V. Radhananda Kishore; Y. Nayudamma; B. M. Das	2	1	9	August	1955
29	Studies in semi-chrome tanning stripping	P. M. Venkatachalam	2	1	17	August	1955
30	Spectrophotometric studies in leather research-Part 1	D. Ramaswamy; Y. Nayudamma	2	2	29	September	1955
31	Survey of the indigenous tanning materials of the Madras State part III	J. B. Rao; Y. Nayudamma; B. M. Das	2	2	42	September	1955
32	Investigations on the curing of hides and skins	S. C. Nandi; S. N. Sen; B. M. Das	2	3	69	October	1955
33	Photomicrographic study of cracky leather	D. K. Das; S. K. Mitra; B. M. Das	2	3	73	October	1955
34	Research on salt stains	A. Kuentzel; T. Stirtz	2	4	99	November	1955
35	Studies in chrome tanning-Part I	Y. Nayudamma; R. Selvarangan	2	4	118	November	1955
36	Enzymic unhairing	S. M. Bose	2	5	140	December	1955
37	Non-aqueous Titration technique: Part II	Y. Nayudamma	2	5	145	December	1955

38	Some factors affecting the fixation of crotonaldehyde and acrolein by collagen: A Colorimetric method for the quantitative estimation of the aldehydes fixed collagen	S. M. Bose; K. Thomas Joseph; B. M. Das	2	6	163	January	1956
39	Moulds on finished leather II	V. S. Krishnamurthy; S. N. Sen; B. M. Das	2	6	174	January	1956
40	Non-aqueous Titration technique: Part III, Determination of acids radicals in syntans	Y. Nayudamma	2	7	197	February	1956
41	New Barks for E. I. Tannage-I (Peltophorum Ferrugineum)	M. K. U. Varma; E. C. Mathew; B. M. Das	2	7	204	February	1956
42	Investigations on the curing of hides and skins-III. Effect of humidity on the preservation of wet salted cow hides	S. C. Nandy; S. N. Sen; B. M. Das	2	8	237	March	1956
43	Spectrophotometric studies in leather research-Part II	Y. Nayudamma; A. Nagasiromani; D. Ramasamy	2	8	250	March	1956
44	Neutral salt effect in semichrome tanning: A note	P. Venkatachalam; Y. Nayudamma; B. M. Das	2	8	257	March	1956
45	Method for the estimation of the unoxidized sugar and formic acid in chrome liquors	T. J. Devassy	2	9	281	April	1956
46	Spectrophotometric studies in leather research: Part III	Y. Nayudamma; A. Nagasiromani; D. Ramasamy	2	9	285	April	1956
47	Tanning investigations for the reduction of consumption of Babul Bark in the North Indian Bag Tanning by using mixtures of sodium sulphite in the tannage	O. S. Davood; B. M. Das	2	9	291	April	1956
48	Studies on shrinkage phenomenon - Part I	Y. Nayudamma; Ranganathan	2	10	319	May	1956
49	Physical and chemical characteristics of some Indian leathers - Part I - Chemical standards for E. I. Leathers	B. M. Das; Y. Nayudamma	2	10	324	May	1956

50	Sulphation of tobacco seed: A note	V. R. Kishore	2	10	329	May	1956
51	Spectrophotometrics studies - Part IV determination of acid content of vegetable tanliquors	D. Ramaswamy; A. Nagasiromani; Y. Nayudamma	2	11	351	June	1956
52	Conductometry in leather research: Part I	D. Ramaswamy; Y. Nayudamma	2	11	360	June	1956
53	A study of the reticulin	S. K. Kirkar; S. K. Mitra; B. M. Das	2	11	367	June	1956
54	Physical and chemical characteristics of some Indian leathers	B. M. Das; J. Budaga Rao; Y. Nayudamma	2	12	389	July	1956
55	Studies on shrinkage phenomenon - Part II	Y. Nayudamma; T. S. Krishnan	2	12	397	July	1956
56	A Photomicrographic investigation of the fat liquoring process	D. K. Das; S. K. Mitra; B. M. Das	2	12	402	July	1956
57	Spectrophotometric studies in leather research - Part IV	Y. Nayudamma; D. Ramaswamy	2	12	412	July	1956
58	Physical and chemical characteristics of some Indian Leathers- Part III. Indian Chamois leathers	Y. Nayudamma; T. S. Ranganathan; B. M. Das	3	1	1	August	1956
59	New Barks for E. I. tannage-II Pithecolobium Dulce	M. K Udaya Varma; E. C. Mathew; B. M. Das	3	1	7	August	1956
60	Investigations on making good leather from dead hides for police and Military boot upper	A. K. Sen Gupta; B. M. Das	3	1	13	August	1956
61	Studies on the tanning characteristics of modified waste sulphite liquors	K. B. Mathur; S. K. Barat; B. M. Das	3	1	23	August	1956
62	Spectrophotometric studies-Part V: Differential titration of phenolic groups of vegetable tanning materials by photometric technique	Y. Nayudamma; A. Nagasiromani; D. Ramasamy	3	2	50	September	1956
63	Nature of tannins in terminalia chebula	K. J. Scaria; S. K. Barat; B. M. Das	3	2	70	September	1956
64	Bacterial penetration in raw hide during staling	S. C. Nandy; S. N. Sen; B. M. Das	3	2	76	September	1956
65	A study of the effect of shell lime on the fibre	S. K. Sarkar; S. K. Mitra; B. M. Das	3	2	84	September	1956

	structure of the pelt in liming cow-hides						
66	Effect of acid and salt adjustment in E. I. tannage with pithecolobium dulce	M. K. Udaya Varma; E. C. Mathew; B. M. Das	3	3	110	October	1956
67	Use of antiseptics in the process of soaking hides and skins-Part I	R. Bhaskaran; S. N. Sen; B. M. Das	3	3	115	October	1956
68	Studies in chrome tanning-Part II Determination of basicity of chrome liquors	Y. Nayudamma; K. S. Jayaramn; D. Ramaswamy	3	3	121	October	1956
69	The effect of acides and salts in vegetable tanning-Part I. Effect of some salts in sole leather tannage	Y. Nayudamma; K. S. Jayaramn; T. S. Krishnan	3	4	145	November	1956
70	Studies on insect damage to raw hides - by Larval forms of anthrenus vorax	R. Bhaskaran; S. N. Sen; B. M. Das	3	4	163	November	1956
71	Effect of acids and salts in vegetable tanning-Part III	Y. Nayudamma; K. S. Jayaraman; T. S. Krishnan	3	5	191	December	1956
72	Effect of acids and salts in vegetable tanning-Part III	Y. Nayudamma; K. S. Jayaraman; T. S. Krishnan	3	5	203	December	1956
73	A study of the effect of different vegetable tanstuffs on the reorientation of fibre structure of pelt in the manufacture of leather-Part I	B. C. Basu; S. K. Mitra	3	6	247	January	1957
74	Note on the estimation of small quantities of chromium by di-phenyl carbazide	T. J. Devassy	3	6	252	January	1957
75	A note on the nature of tannins from the Casuarina Trees	S. Venktaraman; S. K. Barat	3	7	277	February	1957
76	Research Bears fruit - Practical demonstration No. 1-Manufacture of chrome retan leathers	A. Ganesan; Y. Nayudamma	3	7	281	February	1957
77	New Tanning materials	M. K. Udaya Varma	3	7	288	February	1957
78	Physico-Microscopical study of combination tanned leather-Part I (Chrome Retan Leather)	B. C. Basu; S. K. Mitra	3	8	301	March	1957

79	Research bears fruit-Rapid tannage of sole leather process No. 1-Manufacture of vegetable tanned sole leather by rapid pit tanning process	Y. Nayudamma; K. Rajabathar	3	8	310	March	1957
80	Research bears fruits - Practical demonstration No. 2-Rapid tannage of sole leather processing	O. S. Davood; B. M. Das	3	8	312	March	1957
81	Tanning Potential of sulphite cellulose extract	K. B. Mathur	3	8	315	March	1957
82	Standardisation and evaluation of different methods for the quantitative estimation of protease activity	S. M. Bose; W. Madhava Krishna	3	9	329	April	1957
83	Research bears fruit-Practical demonstration No. 3, Process No. 1-Manufacture of picking band leather by the combination of sulphur-oil-vegetable tanning method	S. N. Bose	3	9	344	April	1957
84	Technical Seminar-Fundamentals of X-ray diffraction and some application to the collagen system	K. S. Chandrasekharan	3	9	348	April	1957
85	Non-aqueous titration technique part IV. Determination of organic acids and their salts in basic chrome liquors	Y. Nayudamma; K. S. Jayaraman; D. Ramaswamy	3	10	377	May	1957
86	Research bears fruit-Practical demonstration No. 4-Manufacture of suedes and lining leather from E.I. Goats	P. S. Venkatachalam	3	10	383	May	1957
87	Fat Liquors	V. R. Kishore	3	10	390	May	1957
88	Combination tannages: Part IV-Combination chrome vegetable tanning in single bath	T. S. Ranganathan; Y. Nayudamma	3	11	409	June	1957
89	Research Bears fruit-Practical demonstration No. 3-Process No. 2-Manufacturer of picking band leather by the sulphur-Chrome	N. S. Bose	3	11	419	June	1957

	combination tanning method						
90	Research Bears Fruit-Practical demonstration No. 5-The manufacture of Glace kid leather by one bath chrome tanning process No. 1	J. C. Deb	3	11	423	June	1957
91	Use of Dhawa leaves for E. I. Tanning	J. B. Rao	3	11	429	June	1957
92	Combination tannages: Part V-Combination chrome vegetable tanning in single bath	T. S. Ranganathan; Y. Nayudamma	3	12	445	July	1957
93	A note on the control of some dermestid beetles by Biological methods	R. Bhaskaran; S. N. Sen	3	12	457	July	1957
94	Research bears fruits-Practical demonstration No. 5-Process No. 2: Manufacture of Glace kid leather by two bath chrome tanning method	J. C. Deb	3	12	459	July	1957
95	Photometric Titration technique	D. Ramaswamy	3	12	467	July	1957
96	ECAFE working party for leather, Leather goods and handicraft meeting	Y. Nayudamma	3	12	469	July	1957
97	Combination tannages: Part VI-Combination chrome vegetable tanning in single bath	T. S. Ranganathan; Y. Nayudamma	4	1	1	August	1957
98	A new technique for the detection of damaged sheep wool	S. K. Mitra	4	1	12	August	1957
99	Some leather defects due to animal diseases	R. Bhaskaran	4	1	15	August	1957
100	The grain pattern of hides and skins	S. K. Mitra	4	1	15	August	1957
101	Spectrophotometry in leather research: Part VIII-Investigation of chrome complexes with inorganic acids and salts	D. Ramaswamy; Y. Nayudamma	4	2	37	September	1957
102	Effect of acid and salt adjustment in E. I. tannage with peltophorum ferrugineum bark	M. K. Udaya Varama; E. C. Mathew; B. M. Das	4	2	45	September	1957
103	Seminar on Physico-Chemical investigation of Tannin Fraction of Babul	Y. Nayudamma	4	2	54	September	1957

104	Survey of the indigenous tanning materials of the Madras State: Part IV - Dhawa leaves (Anogeissus latifolia)	J. B. Rao; Y. Nayudamma	4	3	79	October	1957
105	A note on the yellow colouration of curing salt in presence of sodium silicofluoride	S. C. Nandy; S. N. Sen; B. M. Das	4	3	91	October	1957
106	Research bears fruit- Practical demonstration No. 6- Process for the manufacture of Box Calf	S. N. Bose	4	3	95	October	1957
107	Effect of staling on the nature of salt absorption during wet salting of hide	S. C. Nandy	4	3	102	October	1957
108	Studies on insect damage to hides and skins-II: by the beetle attagenus gloriosae (Fabricius)	R. Bhaskaran; S. N. Sen	4	4	121	November	1957
109	Dry salting of skins and hides	J. B. Ingram; K. V. Vaidyalingam	4	4	124	November	1957
110	A note on the tanning properties of Hexamethylene Tetramine -Phenol complexes	S. Ranganathan; S. M. Bose; Y. Nayudamma	4	4	127	November	1957
111	Research bears fruit- Practical demonstration No. 7-Process No. 1: Manufacture of East India Tanned kips using a blend of Karada and Konnam barks in place of Mimosa bark and extract	K. Rajabather	4	4	131	November	1957
112	Studies on proteases and Amylases as unhairing agents for skins and hides with particular reference to reactions of skin Mucoids with Amylases	S. M. Bose; W. Madhava Krishna	4	5	157	December	1957
113	Swelling and shrinkages temperature of tanned collagen	B. N. Ghosh; S. Ghosh	4	5	176	December	1957
114	The correlation between some physical properties of chrome retan upper leathers	N. Ramachandran	4	5	181	December	1957

115	Non-aqueous titration technique-Part I-A method for the determination of salts present in vegetable tanliquors	Y. Nayudamma; D. Ramaswamy	4	6	201	January	1958
116	Research bears fruit-Practical demonstration No. 7-Rapid E. I. Tanning of goat and sheep skins	T. S. Krishnan; M. A. Rama Iyer; Y. Nayudamma	4	6	219	January	1958
117	Electrophoresis in the study of chrome complexes	T. J. Devassy	4	6	227	January	1958
118	Electroendosmosis through hide and leather membranes	B. N. Ghosh; S. Ghosh	4	7	259	February	1958
119	Research bears fruit-Practical demonstration No. 8-Dressing of E. I. Kips and skins-Semi Alum tanning process	M. A. Ghani; R. Selvarangan; Y. Nayudamma	4	7	266	February	1958
120	N. terminal amino acids of skins proteins	K. Thomas Joseph	4	7	275	February	1958
121	A Method for evaluation of organic sulphur in commercial waste sulphite liquor	K. B. Mathur; S. K. Barat	4	8	296	March	1958
122	Research bears fruit-Practical demonstration No. 9-Manufacture of fancy leathers from chrome tanned grain leathers and splits	A. Ganesan	4	8	308	March	1958
123	Interaction of certain phenol hexamethylene tetramine complexes with collagen	S. Ranganathan	4	8	313	March	1958
124	N-Terminal amino acids of the constituent proteins of hides and skins	K. Thomas Joseph; S. M. Bose	4	9	343	April	1958
125	Research bears fruit-Practical demonstration No. 1 (Second Series)-Manufacture of chrome retan heavy upper leathers	N. R. Sikdar; Y. Nayudamma	4	9	361	April	1958
126	Studies on certain proteolytic and Amylolytic enzymes in leather manufacturer	W. Madhava Krishnana	4	9	367	April	1958
127	The inter-relationships of the physical	N. Ramachandran; D. V. Subbalakshmi	4	10	391	May	1958

	characteristics of chrome retan upper leathers						
128	Research bears fruit-Practical demonstration No. 2-Manufacture of semi-alum upholstery leather	R. Selvarangan; M. A. Ghani; Y. Nayudamma; B. M. Das	4	10	401	May	1958
129	Mechanism of Ziroconium tannage	T. S. Ranganathan	4	10	406	May	1958
130	Physical Chemical investigations of tannin fractions obtained from Babul Bark	Y. Nayudamma; A. Nagasiromani; P. V. Rajalakshmi; K. N. Shama Sastry; D. Ramasamy	4	11	429	June	1958
131	Research bears fruit-Practical demonstration No. 3-Manufacturer of glazed kid leather by combined one and double bath tanning method with indigenous material-Process No. 1	J. C. Deb; G. N. Hore	4	11	442	June	1958
132	Preparation of tanning materials	N. Viswanathan; B. M. Das	4	11	450	June	1958
133	Leather industry in Bihar State	A. Ganesan	4	11	456	June	1958
134	Sole leather tannage using Pithecolobium Dulce Bark	M. K. Udaya Varma; E. C. Mathew; B. M. Das	4	12	479	July	1958
135	Research bears fruit-Practical demonstration No. 3-Manufacturer of glazed kid leather by combined one and double bath tanning method with indigenous material-Process No. 1	J. C. Deb; G. N. Hore	4	12	489	July	1958
136	Improvements in curing and preservation of skins and hides	S. C. Nandy; S. N. Sen; B. M. Das	4	12	496	July	1958
137	Leather industry in Bihar State	Y. Nayudamma	4	12	504	July	1958
138	Livestock and prospects for leather industry in the Philippines	Theophila A. Varsovia	4	12	508	July	1958
139	Studies on shrinkage phenomenon formaldehyde combination tannage	K. S. Jayaraman	4	12	511	July	1958
140	Wattle plantations of South India	V. S. Krishnaswamy	4	12	512	July	1958

141	Spectrophotometric studies in leather research: Part IX-Photometric Titration method for estimation of salts of weak acids in Tanliquors	A. Nagasiromani; D. Ramaswamy; Y. Nayudamma	5	1	1	August	1958
142	Research Bears Fruit-Practical demonstration No. 4-Rapid tannage of sole leather using indigenous substitute for wattle	E. C. Mathew	5	1	12	August	1958
143	An improved process for the enzymic unhairing of skins and hides by madar (Calotropis gigantea) latex for the manufacture of leather	S. M. Bose, W. Madhavakrishnan; B. M. Das	5	1	15	August	1958
144	Activities of the small industries service institute in relation to the leather and foot-wear industry	J. Ghosh	5	1	23	August	1958
145	Spectrophotometric studies in leather research-Part X-Effect of addition of aluminium chloride on the ultraviolet absorption spectra of tanning materials	D. Ramaswamy; Y. Nayudamma	5	2	45	September	1958
146	Research bears fruit-Practical demonstration No. 5-Manufacture of picking band leather by the combination sulphure oil vegetable tanning method	S. N. Bose; N. R. Sikdar; K. T. Sirkar	5	2	50	September	1958
147	Manufacture of Gold and Silver Leather	A. Ganesan	5	2	57	September	1958
148	Dressing of E.I. Leathers	P. Venkatachalam	5	2	62	September	1958
149	A systematic study of fungi of tan liquors-1 Aspergilli	V. S. Krishnamurthy	5	2	66	September	1958
150	Economic Problems facing the leather industry with particular reference to raw hides and skins	E. Gergely	5	2	67	September	1958
151	Structure of collagen	Y. T. Thathachari	5	2	69	September	1958

152	Studies on shrinkage phenomenon-Part III. Formaldehyde combination tannages	Y. Nayudamma; K. S. Jayaraman	5	3	91	October	1958
153	Research Bears Fruits-Practical demonstration No. 6-Process No. 2: Manufacture of white glove and lining leathers using basic aluminium sulphate		5	3	98	October	1958
154	Mechanism of resole stage in the phenol formaldehyde resinification	Lourdu M. Yeddanapalle, S. J.	5	3	102	October	1958
155	Leather Industry in Yugoslavia	The Yugoslavian Trade Delegation	5	3	103	October	1958
156	On Raw hides and skins from different breeds of animals of Uttar Pradesh	R. Bhaskaran	5	3	104	October	1958
157	C-Terminal Amino acids of the constituent proteins of hides and skins	K. Thomas Joseph	5	3	107	October	1958
158	Interaction of collagen with certain phenols-Hexamethylene tetramine complexes	S. Ranganathan; S. M. Bose; Y. Nayudamma	5	4	131	November	1958
159	Research Bears Fruits-Practical Demonstration-Natural and coloured linings from E.I. hides and skins	P. Venkatachalam; S. T. S. Krishnan	5	4	149	November	1958
160	Liming of goat skins for manufacture of glazed kid leathers	J. C. Deb	5	4	152	November	1958
161	Some points with regard to the manufacture of industrial leathers	S. N Bose	5	4	153	November	1958
162	Studies on shrinkage phenomenon-Part IV, Area shrinkage	Y. Nayudamma; D. V. Subbalakshmi; K. Chandrasekharan; N. Ramachandran	5	5	173	December	1958
163	Fractionation of four Indian vegetable tannins	E. C. Mathew	5	5	188	December	1958
164	E. I. Tanning and Scientific knowledge	C. K. Duraivelan	5	5	189	December	1958
165	A systematic study of fungi of tan liquors-1 Aspergilli	V. S. Krishnamurthi; S. N. Sen	5	6	213	January	1959

166	Research bears fruit-Practical demonstration No. 8-Manufacture of natural and waxed chrome sole leather on a cottage and small scale level	M. A. Rama Iyer; K. Rajabather; K. T. Sarkar	5	6	220	January	1959
167	Studies on chrome liquors-Effect of addition of organic salts to SO ₂ reduced liquors	K. R. V. Thampuran	5	6	223	January	1959
168	Use of alkyd resins in leather finishes	T. K. Parthasarathi	5	6	224	January	1959
169	Non-aqueous titration technique in leather research-Part V: Analysis of sulphated oils	D. Ramaswamy; P. V. Rajalakshmi; Y. Nayudamma	5	6	255	January	1959
170	Research bears fruit-Practical demonstration No. 1-Manufacture of fancy leather for leather goods from chrome and vegetable tanned splits	J. C. Deb	5	7	269	February	1959
171	Leather industry in the Saurashtra and Vidharba regions of Bombay State	A. Ganesan	5	7	277	February	1959
